Product Description

Product Description:

Mobile TV Cart TV Stand with Loading Capacity of 100kg and Vesa 600*1080mm

Mobile TV Stand - Your Ultimate Solution for Portable TV Display

The Mobile TV Stand is a heavy duty TV stand designed to provide a sturdy and reliable display solution for your TV. This portable wheel trolley cart is perfect for meetings, conferences, exhibitions, and other events where you need to showcase your TV. With its ability to fit TV sizes from 55 to 100 inches and a weight capacity of 220 lbs, the Mobile TV Stand can easily hold even the largest and heaviest TVs. It also comes with an adjustable TV stand feature, making it suitable for Interactive white board sizes ranging from 55 to 86 inches. You can easily adjust the height and angle of the TV according to your preference. The Mobile TV Stand is available in three stylish colors - black, white, and grey, making it a perfect fit for any décor or setting. Its sleek and modern design adds a touch of elegance to any room or event.

Applications:

Equipped with four durable and smooth-rolling wheels, the X1150 can be easily moved from room to room or even outside. This makes it perfect for events, conferences, trade shows, and other occasions where a TV display is needed.

TV Cart Stand with Mount

The X1150 comes with a built-in TV mount, eliminating the need for additional hardware or tools. The Vesa mounting pattern supports a variety of TV sizes, making it compatible with most flat screen TVs.

Mobile TV Stand for Flat Screen

Whether it's for a business presentation, classroom lecture, or movie night with friends, the X1150 is the perfect mobile TV stand for flat screen TVs. It can be easily adjusted for the best viewing angle and height, ensuring that everyone has a clear view of the screen.

Adjustable Height and Tilt

The X1150 features a height-adjustable and tilting mechanism, allowing you to customize the position of your TV for optimal viewing. This makes it suitable for different settings and purposes, providing a comfortable viewing experience for everyone.

Durable and Stable

Built with high-quality materials and a stable base, the X1150 is designed to last. Its sturdy construction ensures that your TV will remain secure and stable, even when the stand is moved or adjusted.

Easy to Assemble

The X1150 is incredibly easy to assemble, requiring no special skills or tools. With its simple instructions and minimal parts, you can have your TV up and running in no time.

Conclusion

The Enjoy X1150 Mobile TV Stand is a versatile and practical solution for displaying your flat screen TV. With its portability, durability, and user-friendly features, it is suitable for a wide range of applications and scenes. So why wait? Get your X1150 today and start enjoying the ultimate TV viewing experience!
